

And so we find ourselves at the start of 2018 facing our first Club Competition for the year, only to have it being postponed due to too windy conditions.

Some of our members decided to take advantage of this competition being Opened and turned it into a road trip, starting at Mosselbay on Saturday and moving toward to Stilbaai and Witsand on Sunday. Al decided that Sunday will be their official comp day, but unfortunately only a few managed to secure some points.

Please find below the results of our first club comp for 2018:

Our Next Club competition is scheduled for February the 18th at Cape Point. Lets hope that the weather play along and that the rest of us can secure get out on the water again!

Currently the Up and coming Witsand competition has everybody talking and excited about the fishing possibilities for that weekend. Please note that this competition will double as a club competition for us, but there are a few rules which we must abide by.

1. Even though Witsand is a two-day competition, you may only submit 1 day for points. However, if you catch both days, you may choose which day you want to submit for points.
2. Please take a picture of your score card before handing it in to the Competition staff and forward it to any of the Executive Members to process for club points.
3. Any member not attending the Witsand Competition, may still catch the club comp and submit their catches for points.
4. Our Club Competition will take on the rules and times from the Witsand Competition.
5. This is still a club event and both days may be used to fish for club records.

1st League Competition

This competition will also serve as a platform for our first League competition between WCKAC, SCKAC and Two Oceans Kayak Angling Club.

Each Club will select three members to represent them and try to accumulate the most points of their Saturday Catch only, thus earning them the floating trophy and bragging rights for one year.

Our three representatives are our three Club Champions from 2017:

Tommy Kruger
Tony Nunes
Pieter Louw

Good Luck to you team and we know you will do well! (No Pressure)

JOKER CARD

A friendly reminder that each member has been awarded 1 Joker Card to earn you extra points on a Non-Comp day.
