

And so we find ourselves at the start of 2018 and what hopes to be a much better fishing season than the last year. One thing is for certain that the New Year will bring new possibilities and new strategies with all scores reset to zero and levelling the playing field.

Before we forget about the scores of 2017, we would like to congratulate all you managed to secure a top spot.

Below is the results for the Bottoms and Game Fish Log. Each Members catch is logged by the Executive team and then converted to points. Furthermore, a separate log is kept indicating the quantity per species caught per angler and then the catch is split between Game Fish and Bottoms.

Herewith your results for the 2017 Bottoms and Game Fish Log:

The Reason for raising certain minimum sizes (eg Hottie) is to prevent over fishing. Also, the WCKAC strongly believe in that “you only keep what you eat” and there is unfortunately not much of a meal on a Hottie of 22cm.

JOKER CARD

We all have that one day where the fishing is great and for some reason you are reaping the benefits of your months of patience and frustration of blanking. That one day where you have an exceptional day of fishing, but as Murphy would have it, it is not on a Competition Day...

For this reason we are introducing a Joker Card to each member. This means that you are allowed to submit your catch for points even though it is not on a comp day. BUT, with this type of Freedom comes responsibility and rules:

Using your Joker Card:

- You **MUST** inform **BEFORE** Launch that you will be using your Joker Card.
- If you blank on your Joker Session, then it counts as a blank.
- Must adhere to 10 fish per day limit.
- Times will be from Sunrise to Sunset
- Period Valid from after 1st club comp to before last club comp of 2018.

CLUB FEE'S

A register is kept of each member when they have paid their club fee's in 2017. In the month when your Club fee's are due, we will send you a message about renewing your membership. Membership Renewal is R300, whilst new member registration is R500. There is no need to complete a new form if your details have not changed.

We will soon be sending out the club shirt designs for 2018 along with the costs. We would like to encourage all members to obtain a club shirt so that we can represent at any event future event.

If you have any queries, please do not hesitate to contact any of the executive members.
